#### **ABSTRACT**

Welcome to the Balochistan Revenue Authority User Manual!

The Pakistan Single Window (PSW) Balochistan Revenue Authority User Manual is your step-by-step guide on how to request for exemption/waiver of Cess Payment (with and without Bank Guarantee). It also covers requests for exemption/waiver against NTN/FTN and the process for Bank Guarantee Release/Encashment using the PSW portal. This user manual offers an overview of the PSW system and outlines its key features.

#### **1. INTRODUCTION**

The Pakistan Single Window (PSW) is an electronic portal that allows parties involved in cross border trade and transport to lodge standardized information and documents using a single- entry point to fulfil all import, export, and transit related regulatory requirements. The information is transmitted electronically and individual data elements for clearance and regulatory approvals need only to be submitted once. Use of the PSW portal is allowed to authorized users who have completed the subscription process (in cases where a subscription has expired, users must initiate and complete the renewal process). Once subscribed and registered with PSW, you can access the portal to engage in cross border trade and transit related activities, including online payment of taxes and OGA fees.

The PSW aims to simplify your cross-border trade and transport experience. This module facilitates traders/customs agents to apply online for approval or rejection of exemption/waiver requests for Balochistan Revenue Authority Cess Payments (with and without Bank Guarantees), as well as requests for exemption/waiver against NTN/FTN and for Bank Guarantee Release/Encashment from the Balochistan Revenue Authority. The application for the same shall be received and processed through the PSW portal. Similarly, the PSW enables the sharing of documents required for processing regulatory approval requests.

Presently, many OGAs engaged in cross-border trade rely on manual processes. Even those using electronic methods lack integration with the customs clearance system. Internal communication among users primarily involves emails, phone calls, and messages, contributing to delays in operational processes and approvals. This new platform will automate all trade-related business processes of the Balochistan Revenue Authority, including the processes for approval and rejection of exemption/waiver requests for Cess Payments and the release of Bank Guarantees.

With the PSW system going live, there will be no Balochistan Revenue Authority office visits and manual submission of applications for the approval of exemption/waiver of Cess Payments. The processing of application will be done online, where you can have a clear visibility of the action being performed on the same. Moreover, communication between you and the BRA officer will be visible, robust, and transparent. For more to know about PSW please visit our website <u>www.psw.gov.pk</u>.

#### 2. BACKGROUND

As a signatory to the WTO's Trade Facilitation Agreement (2015), Pakistan has notified the establishment of a 'National Single Window' (NSW) as a 'Category C' commitment with effect from 22nd February 2017. To implement NSW the Government of Pakistan has promulgated the Pakistan Single Window Act, 2021 while declaring Pakistan Customs as the Lead Agency. Pakistan Customs has established a dedicated PSW Company (PSWC), as a not-for-profit Company under Companies Act, 2017, to implement the PSW program. The PSWC has been designated as the Operating Entity under the PSW Act for developing and maintaining the PSW portal in collaboration with 77 different public sector entities involved in regulation of cross border trade in Pakistan. The PSWC will digitize the processes of public sector entities, related to regulation of international trade. This will not only reduce the time and costs but also increase compliance and immensely benefit economic operators like importers, exporters, freight forwarders, clearing agents, shipping companies, transporters etc. The implementation of the PSW program will also enhance government controls and transparency. By creating a national electronic trade and logistics platform the PSW will help Pakistan integrate better into the regional and global single window systems. It will facilitate integration into global value chains and enable Pakistan to become hub for regional and international transit and trade.

### **3. SALIENT FEATURES OF BALOCHISTAN REVENUE AUTHORITY MODULE**

- A complete online solution for filling and processing of approval and rejection of exemption/waiver of Balochistan Infrastructure Cess Payment Requests (with and without Bank Guarantees), as well as requests for exemption/waiver against NTN/FTN and for Bank Guarantee Release/Encashment.
- Caters to all the needs of the Balochistan Revenue Authority related to processing exemption/waiver requests for Cess Payments.
- Communication between the officers and traders/custom agents will be done through the PSW system.
- Electronic application and processing help save time and costs.
- Facilitates compliance of trade regulations through the PSW system.

#### **4. SYSTEM REQUIREMENTS**

- $\circ$  To use PSW Portal on Windows®, the subscriber will require:
  - a. Google Chrome Browser.
  - b. Windows Edge.
  - c. Firefox.
  - d. Opera.
  - e. Windows 7, Windows 8, Windows 8.1, Windows 10. Window 11 or later.
- To use PSW Portal on Mac®, the subscriber will need:
  - f. Google Chrome Browser
  - g. Safari
  - h. OS X El Capitan 10.11 or later.

## **5. STEP BY STEP PROCESS**

#### 5.1. USER LOGIN

i. Please visit "<u>www.psw.gov.pk</u>" and click on the 'Login' option.

ii. After clicking on the login option, the user will be redirected to the login interface. Here, you will be required to enter your login credentials.

Figure 2

#### 5.2. PROCESS FOR CREATION OF BANK GUARANTEE

i. Upon successful Login, PSW dashboard will appear. At the Home screen, click on the 'Bank Guarantee' button.
