PSW Partners with FTSL to Enhance TBML Compliance with Advanced Automation Solutions

ہی ایس ڈبلیو نے ایف ٹی ایس ایل کے ساتھ شراکت داری کی ہے تاکہ جدید خودکار حل کے ذریعے ٹی بی ایم ایل کی تعمیل کو بہتر بنایا جا سکے

PSW has partnered with Fintech Transformation Services (FTSL) to launch an advanced digital solution for commercial banks, supporting compliance with the State Bank of Pakistan's framework against trade-based money laundering (TBML) and terrorist financing (TF). This enhanced Trade Compliance Navigator (TCN) tool, "TCN - Pakistan Trade Data Analytics," now enriched with PSW's extensive national trade data, enables banks to verify the pricing of imported and exported goods with improved accuracy. By integrating data analytics, TCN strengthens price assessments, reduces TBML risks, and reinforces transparency in Pakistan's trade finance sector.

PSW Drives Trade Excellence with Advanced Data Centre Migration

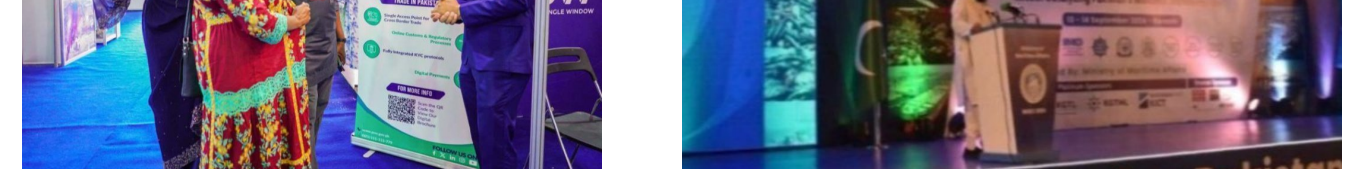

ہی ایس ڈبلیو کے جدید ڈیٹا سینٹر منتقلی سے تجارت میں بہتری

PSW SUCCESSFULLY MIGRATES TO NEW DATA CENTER

PSW has successfully migrated its Production, Reporting, and Staging environments from the PRAL-managed data center to its newly established PSW Data Centre. This landmark achievement is the result of a two-year effort involving meticulous infrastructure planning, vendor selection, training, and seamless application migration. This migration represents a significant step in modernizing Pakistan's trade facilitation framework. By enhancing operational autonomy, scalability, and service reliability, the upgraded infrastructure strengthens PSW's capacity to meet the growing demands of cross-border trade. It also ensures faster processing, improved system reliability, and heightened data security, reducing operational bottlenecks and providing the scalability required to support future growth.

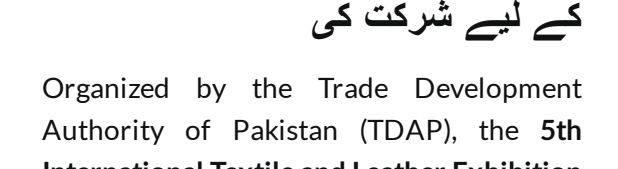

Aligned with PSW's vision to streamline trade processes, lower costs, and enhance Pakistan's competitiveness in global trade markets, this achievement underscores PSW's commitment to driving innovation and efficiency in trade facilitation.
